EDUCATION

- August 2018 **The University of Alabama**, Tuscaloosa, Alabama
Doctoral Degree
Concentration: Clinical Child Psychology
Dissertation Title: *The Relationship between Pre-Treatment Risk Factors and Response to Treatment in a Residential Treatment Facility*
Advisor: Matthew Jarrett, Ph.D.
- December 2014 **The University of Alabama**, Tuscaloosa, Alabama
Master of Arts
Concentration: Clinical Child Psychology
Thesis Title: *Attentional Biases in College-Age Adults with Spider Fears*
Advisor: Matthew Jarrett, Ph.D.
- May 2012 **Wofford College**, Spartanburg, South Carolina
Bachelor of Science, *Cum Laude*
Major: Psychology with a concentration in Neuroscience

Professional Experience

- May 2019 – Current **Licensed Psychologist**, Bair, Peacock, McDonald, McMullan, & Bell, P.C.
- August 2018 - July 2019 **Postdoctoral Fellow**, University of Alabama at Birmingham
Duties: Conduct comprehensive psychological evaluations with children, adolescents and their families; supervise doctoral graduate students as they learn to administer psychoeducational, cognitive, developmental, and Autism Spectrum Disorder assessments; conduct psychoeducational evaluations in schools throughout the state of Alabama and provide comprehensive feedback to families and schools; and coordinate referral services for families.

CLINICAL EXPERIENCE

- July 2017 – July 2018 **Pre-doctoral Internship**, University of Alabama at Birmingham
Psychology Training Consortium – Clinical Child and Pediatric Psychology Program, Birmingham, Alabama
Duties: Conducted comprehensive psychological (including cognitive,

developmental, educational, and behavioral assessments) evaluations with children and adolescents; conducted autism evaluations, including learning to administer the Autism Diagnostic Observation Schedule (ADOS; Modules 1-3), and the Autism Diagnostic Interview (ADI-R) for pre-school and school-aged children and adolescents; composed integrated reports for each of the above-mentioned evaluations; conducted neurobehavioral intakes and provided consultation services to adults with spinal cord injuries in an inpatient setting; provided outpatient therapy to adolescents and families using empirically supported interventions; attended staffing meetings to discuss evaluation results across multiple disciplines for clients and formulated recommendations based on a collection of the findings; attended didactic seminars and lectures on a weekly basis.

Supervisors: Kristy Domnanovich, Ph.D.; John Houser, Ph.D.; Casey Azuero, Ph.D., MPH; Sarah O’Kelley, Ph.D.; Daniel Marullo, Ph.D.; Aaron Fobian, Ph.D.; and Natalie Krenz, Ph.D.

August 2016 –
December 2016

Graduate Teaching Assistant, Psychological Assessment I, The University of Alabama, Tuscaloosa, Alabama

Duties: Provided direct supervision to first-year clinical psychology students as they learned various psychological assessments; conducted checkouts with graduate students to ensure proper administration of psychological assessments; provided corrective feedback about psychological reports to students.

Supervisor: Jennifer Cox, Ph.D.

June 2016 – December
2016

Graduate Clinician, Children’s Hospital of Alabama, Birmingham, Alabama

Duties: Conducted thorough neuropsychological evaluations with outpatient clients between the ages of 8 and 19 referred to the clinic for assessments either during or after treatment in the pediatric oncology and hematology department. Evaluations typically consisted of a cognitive test, achievement test, a variety of neuropsychology assessments, behavioral rating scales, and parent interviews.

Supervisor: Avi Madan-Swain, Ph.D.

January 2016 – July
2016

Graduate Clinician, Child Anxiety Clinic, The University of Alabama, Tuscaloosa, Alabama

Duties: Conducted individual therapy sessions with children experiencing anxiety symptoms using a manualized treatment approach; conducted assessments with each family to assess anxiety symptoms; attended weekly team supervision meetings.

Supervisor: Matthew Jarrett, Ph.D.

- August 2014 –
December 2016
- Advanced Child Practicum**, The University of Alabama, Tuscaloosa, Alabama
Duties: Conducted individual therapy sessions with children and families from diverse backgrounds experiencing varying clinical problems. Carried between 1-3 clients at a time; completed progress notes; attended didactic meetings (1st year only); and attended weekly group supervision meetings.
Supervisors: Matthew Jarrett, Ph.D. and Randall Salekin, Ph.D.
- January 2016 - June
2016
- Graduate Clinician**, The University of Alabama ASD Clinic, Tuscaloosa, Alabama
Duties: Conducted thorough evaluations with clients between the ages of 4 and 18 referred to the clinic for ASD assessments. Evaluations typically consisted of cognitive testing, achievement testing, behavioral rating scales, ASD symptom rating scales, and a clinical interview with parents. Worked with an interdisciplinary team including a speech language pathologist, pediatrician, and psychologist to determine diagnoses.
Supervisor: Sarah Ryan, Ph.D.
- August 2015 - May
2016
- Peer Consultant for Advanced Child Practicum**, The University of Alabama, Tuscaloosa, Alabama
Duties: Consultant for one third-year clinical Ph.D. student as she completed her first year of Advanced Child Practicum. Supervised student as she implemented cognitive-behavioral and other psychological approaches in therapy.
Supervisor: Matthew Jarrett, Ph.D.
- June 2015 - August
2016
- Graduate Clinician**, Moderate Residential Treatment Program, Brewer-Porch Children’s Center, Tuscaloosa, Alabama
Duties: Provided individual and group therapy for clients in a residential setting for periods of time between 3 months and 15 months; worked with program coordinator to implement behavioral interventions in public school settings and residential treatment setting with group of 10 partial-residential treatment clients between the age of 6 and 18, who are often stepping down from more-restrictive placements; met with interdisciplinary treatment team consisting of social workers, mental health workers, a psychologist, and an education specialist to assess holistic treatment of children; provided case management for 3 partial-residential clients between the ages of 11 and 17.
Supervisor: Ross Grimes, Ph.D.
- October 2014 - May
2014
- Graduate Clinician**, Disruptive Behavior Clinic, The University of Alabama, Tuscaloosa, Alabama

Duties: Conducted a manualized treatment protocol, *Positive Psychology Intervention for Conduct-Problem Youth*, in individual therapy with court-referred and community-referred children and adolescents exhibiting significant disruptive behaviors; administered pre-, mid-, and post-treatment assessments in addition to weekly rating scales.

Supervisor: Randall Salekin, Ph.D.

August 2014 - August 2015

Psychology Intern, ADHD Clinic, University Medical Center, Tuscaloosa, Alabama

Duties: Evaluated child outpatients from the region referred by primary care physicians, schools, and parents for symptoms of disruptive behavior, inattention, and poor school performance; conducted extensive clinical interviews with parents of clinic referrals and cognitive and achievement screeners with referred clients; integrated results of parent and teacher behavior rating forms, cognitive and achievement test results, and clinical interview into reports; consulted with pediatricians and conducted feedback sessions with parents in conjunction with the pediatricians.

Supervisors: Matthew Jarrett, Ph.D., and Randall Salekin, Ph.D.

May 2014 - May 2015

Graduate Clinician, Short-Term Treatment and Evaluation Program, Brewer-Porch Children's Center, Tuscaloosa, Alabama

Duties: Conducted evaluations, individual therapy, and group therapy with clients in a residential treatment setting. This program serves 10 children, ages 6 through 12, for 60 to 90 days who are often at risk of disrupting less-restrictive placements or who have required multiple hospitalizations. Evaluations typically consisted of an intelligence test, achievement test, behavioral rating scale, ADHD rating scale, and occasionally projective assessments. Met with interdisciplinary team consisting of a psychiatrist, nurse, social workers, and special education teacher to discuss clients' symptomatology and progress.

Supervisor: Ross Grimes, Ph.D.

August 2013 - August 2014

Basic Therapy Practicum, Psychology Clinic, The University of Alabama, Tuscaloosa, Alabama

Duties: Conducted intakes and individual therapy with adults and children from diverse backgrounds. Carried about 3 therapy clients at a time; completed progress notes; attended weekly individual and group supervision meetings.

Supervisors: Karen Salekin, Ph.D., Randall Salekin, Ph.D., Jennifer Gardner, Ph.D.

May 2013 - August 2014

Graduate Clinician, ASD College Transition and Support Program, The University of Alabama, Tuscaloosa, Alabama

Duties: Provided therapeutic services, academic skills mentoring, and social skills mentoring to three college-age clients with ASD diagnoses; led biweekly group therapy sessions focused on social skills, academic skills, and basic living skills with 6 college-age clients with ASD diagnoses.

Supervisor: Sarah Ryan, Ph.D.

RESEARCH EXPERIENCE

2012 - 2017 **Graduate Research Assistant**, The University of Alabama ADHD and Anxiety Lab,
Tuscaloosa, Alabama

Duties: Data entry for various projects; conducted EEG with participants; conducted various neuropsychology and executive functioning tasks with participants; conducted interviews with parents of children with ADHD; responsible for participant screening and recruitment through participant pool website; trained undergraduate students on EEG techniques and data entry.

Supervisor: Matthew Jarrett, Ph.D.

Price, H.R. (2018, May). *Trauma-Informed Care*. Lecture given as part of the Core Lecture Series given at the UAB Civitan-Sparks Clinics, Birmingham, Alabama.

Price, H. R. (2016, March). *Applying to graduate school with a liberal arts background*. Lecture given at Wofford College, Spartanburg, South Carolina.

Price, H. R. (2016, March). *Working with disruptive youth in the community and school setting*. Lecture given at Tuscaloosa Police Department Juvenile Division Training, Tuscaloosa, Alabama.

TEACHING EXPERIENCE

PY 371 – Psychology of Gender (Spring 2017)

PY 358 – Abnormal Psychology Guest Lecturer (Summer 2015; Summer 2016)

PY 101 – Introduction to Psychology (Instructor; Fall 2014)

PY 356 – Research Methods Laboratory Section (Instructor; Spring 2013)

PY 629 – Cognitive Neuroscience (Graduate Teaching Assistant; Spring 2013)

PY 211 – Introduction to Statistics (Graduate Teaching Assistant; Fall 2013)

CLINICAL SERVICE

May 2016 – May 2017 **President**, Psychological Graduate Student Association, The University of Alabama, Tuscaloosa, Alabama

Duties: Attended faculty meetings and executive committee meetings; organized Graduate Student Association meetings; assigned graduate students to faculty committees; served as a liaison

between department chair and graduate students.

- May 2015 – May 2016 **Clinical Vice-President**, Psychological Graduate Student Association, The University of Alabama, Tuscaloosa, Alabama
Duties: Worked closely with the Director of Clinical Training to plan four clinical workshops for clinical students and faculty; planned various aspects of department’s interview days; organized charity supply drive for clinical students; served as liaison between faculty and clinical students.
- May 2014 – May 2015 **Child Concentration Representative**, Psychological Graduate Student Association, The University of Alabama, Tuscaloosa, Alabama
Duties: Organized meetings for clinical child graduate students each semester; served as liaison between chair of the Clinical Child Concentration chair and students.

PROFESSIONAL ASSOCIATIONS

- Student Member**, American Psychological Association
Student Member, Association for Behavioral and Cognitive Therapies

Awards and Honors

- College of Arts and Sciences Research and Travel Award**, Fall 2016
Graduate Research and Travel Award, Fall 2012, Fall 2013, Fall 2014, Fall 2016
Graduate Council Fellowship, August 2012 – May 2013
James A. Seeger Family Scholarship, Fall 2011
-
