EDUCATION

The University of Alabama, Tuscaloosa, Alabama

Doctoral of Philosophy Degree (PhD), Clinical Child Psychology 2018

Specialization in Child and Adolescent Forensic Psychology

Supervisor: Randall Salekin, PhD. Dissertation Thesis: *Reconsidering the Role of Sex Hormones on Psychopathy Development: Estrogens and Psychopathy Among Young Offenders* funded by the Doctoral Award of the Social Sciences & Humanities Research Council

Master of Arts (M.A.), Clinical Child Psychology 2015

Specialization in Child and Adolescent Forensic Psychology

Supervisor: Randall Salekin, PhD. Master's Thesis: *Personality, Hormones, Intelligence, and Maturity: Psychopathy and HPA/HPG Balance Among Adolescent Offenders* funded by the Doctoral Award of the Social Sciences & Humanities Research Council

Simon Fraser University, British Columbia, Canada

Bachelor of Arts (First Class Honours), Psychology 2011

Supervisor: Ronald Roesch, PhD. Honour's Thesis: *Patients with Mental Health Issues in the Emergency Department: The Relationship Between Coercion and Perceptions of Being Helped, Psychologically Hurt, and Physically Harmed*

INTEREST STATEMENT

I have an abiding interest in investigating the neurobiological and social factors that contribute to resiliency in underserved populations. I aspire to work within multidisciplinary settings and use my training in trauma, forensic psychology, and evidence-based practice to inform assessment and therapy of diverse populations who have experienced adversity.

CLINICAL TRAINING

University of Tennessee Health Science Center

Aug 2017-Aug 2018

Psychology Internship Consortium, Memphis, TN

Predoctoral Internship, APA Accredited

Track: General, Training Director: Melissa Hoffmann, PhD

Harbor UCLA Medical Center

Sep 2018-Aug 2019

Postdoctoral Psychology Fellowship, APA Accredited.

Area: Child and Adolescent Psychiatry, Training Director: Astrid Reina, PhD

CLINICAL EXPERIENCE

Safe Harbor Trauma Recovery Center (TRC)
Harbor UCLA Medical Center, Torrance, CA

Oct 2019-present

Clinical Psychologist II

Duties: Assertive outreach and engagement of victims of crime (all ages) within the hospital and after discharge. Providing case management to ensure engagement in services and improve health equity. Providing comprehensive assessment and evidence-based trauma therapies (e.g., **Prolonged Exposure (PE)**, **Trauma Focused Cognitive Behavior Therapy (CBT)**, **Dialectical Behavior Therapy (DBT)/PE** combined protocol, **Cognitive Processing Therapy**) to victims of crime and their families. Supervising externs and an unlicensed psychologist in assessment and psychotherapy. Facilitating lectures on CBT principles and techniques for social work and psychology externs. Program development and research planning in multidisciplinary teams, including emergency room doctors, social workers, peer advocates, psychiatrists, and psychologists. Co-facilitating community engagement and training to enhance awareness of trauma-informed practice and available TRC services.

Child and Adolescent Psychiatry
Harbor UCLA Medical Center, Torrance, CA

Sep 2018-Aug 2019

Postdoctoral Psychology Fellow

Duties: Conducting adherent comprehensive **Dialectical Behavior Therapy** (i.e., DBT: individual therapy, co-leading group therapy, phone coaching, and consultation team) with high risk adolescents and transitional aged youth who engage in non-suicidal self-injury or suicidal behavior and meet at least three Borderline Personality Disorder (BPD) criteria using SCID-II. Using adaptations of **Cognitive Behavioral Therapy (CBT)**; e.g., Trauma-Focused CBT) with children, adolescents, and transitional aged youth to target a variety of disorders, including posttraumatic stress disorder, major depression disorder, and social anxiety disorder. Providing **Consultation/Liaison services** to children and adolescents following traumatic events within the Pediatric Intensive Care Unit and General Pediatric Unit; duties include screening for psychological disorders, brief bedside psychotherapy, and providing recommendations to staff and family to reduce re-traumatization/manage symptoms and link to appropriate services. Providing risk assessment and brief psychotherapy within the **Adolescent Psychiatric Emergency Department** using the Family Intervention for Suicide Prevention (FISP) model. Providing **direct supervision** of therapy cases and evaluation for predoctoral psychology externs. Acting as a member of the **Diversity Committee** to enhance cultural humility and approachability of the current fellowship climate in an effort to increase diversity among faculty and trainees.

Healthy Lifestyle Clinic
Le Bonheur Children's Hospital, Memphis, TN

April 2018-Aug 2018

Predocctoral Psychology Intern

Duties: Conducting intakes and group therapy with children and adolescents who meet criteria for obesity to assist in establishing healthy routines.

NATALIE A HARRISON, PhD.

Parent Child Interaction Therapy Aug 2017-Aug 2018
University of Tennessee Health Science Center, Memphis, TN

Predoctoral Psychology Intern; Co-therapist

Duties: Providing parents with psychoeducation on how improving parent-child interactions can decrease behavioral issues, improve self-esteem, and improve emotion regulation skills. Coding and live coaching of child-directed and parent directed interactions. Scoring and recording weekly assessments (ECBI). Certification eligible.

Pediatric Psychology, Memphis, TN Dec 2017-Aug 2018
St. Jude Children's Research Hospital

Predoctoral Psychology Intern

Duties: Providing inpatient and outpatient consultation and follow-up clinical care for children and adolescents with cancer and blood disorders. Collaborating with multidisciplinary teams. Conducting clinical psychological assessments.

The Division of Child and Adolescent Psychiatry Aug 2017-Dec 2018
University of Tennessee Health Science Center, Memphis, TN

Predoctoral Psychology Intern

Duties: Collaborating with psychiatrists/psychiatry fellows as part of the Consultation/Liaison service for LeBonheur Children's Medical Center. Attending and leading didactics on motivational interviewing, parent management, and CBT. Conducting intakes and carrying a caseload of twelve to fifteen child and adolescent therapy cases within a psychiatry outpatient clinic. Three female adolescent clients with emotional dysfunction and complex trauma were maintained until August 2018.

Juvenile Court of Memphis & Shelby County Dec 2017-April-2018
University of Tennessee Health Science Center, Memphis, TN

Predoctoral Psychology Intern

Duties: Court-ordered evaluations for high-risk juvenile offenders. Scoring and interpreting a comprehensive battery with file review to identify mental health issues, special needs, and risks, while offering recommendations to the Court regarding treatment, psychoeducational, vocational, mentoring, and/or other intervention services.

West Tennessee Forensic Services, Inc. Aug 2017-Dec 2017
University of Tennessee Health Science Center, Memphis, TN

Predoctoral Psychology Intern

Duties: Conducting court-ordered evaluations and tests of malingering at various men's and women's jails in Shelby County and juvenile detention to assess competency to stand trial and criminal responsibility. Writing brief comprehensive summaries of interviews. Observing expert testimony regarding discrepant competency decisions.

NATALIE A HARRISON, PhD.

The UA Psychology Clinic

The University of Alabama, Tuscaloosa, AL

Clinic Graduate Teaching Assistant

Aug 2016-Aug 2017

Duties: Preparing and administering psychological testing at a local community mental health center (Indian Rivers Mental Health Center, Tuscaloosa), a **female juvenile custody center (Working on Womanhood)**, and the UA Psychology Clinic. Scoring and interpreting psychological tests to write clinical integrated diagnostic reports with recommendations.

Betty Shirley Clinic, The University Medical Center

Aug 2015-Aug 2016

The University of Alabama, Tuscaloosa, AL

Student Therapist

Duties: Maintaining a caseload of 10-15 clients of varying ages (3-67) and complexity. Presenting problems included panic, depression, separation anxiety, and complex trauma. Co-leading family therapy using Family Systems Therapy. Modifying and co-leading group therapy for pain management, adapted from the Cognitive Therapy for Chronic Pain protocol by Beverly Thorn, PhD. Three of these clients were maintained until August 2017.

The UA Psychology Clinic

The University of Alabama, Tuscaloosa, AL

Advanced Child Student Therapist

Aug 2014-Aug 2017

Duties: Maintaining a caseload of three to four child cases of varying complexity. Maintaining an additional caseload of two to three clients from the Disruptive Behavior Clinic (providing evidenced based individual therapy for disruptive behaviors with parent training) and Anxiety Clinic (training on delivering Modular CBT for child anxiety disorders. Administering and interpreting the ADIS-IV to diagnose and develop a treatment plan. Administering exposure therapy for social anxiety).

ADHD Clinic, The University Medical Center

Aug 2014-Aug 2015

The University of Alabama, Tuscaloosa, AL

Student Intern

Duties: Conducting clinical interviews for attention deficit hyperactivity disorder related doctor appointments. Intelligence and achievement testing. Integrating clinical interview, self-report, and test results into a diagnostic report with recommendations.

The UA Psychology Clinic

The University of Alabama, Tuscaloosa, AL

Peer Supervisor

June 2015-Aug 2016

Duties: Providing weekly individual supervision for four 2nd year basic practicum students (cases across the lifespan) and one 3rd year advanced child practicum student, including video review and progress note revisions. Weekly group meetings, including didactics, discussions of relevant research and literature, and preparation for case conferences.

NATALIE A HARRISON, PhD.

Basic Practicum Student Therapist

Aug 2013-Aug 2014

Duties: Maintaining a caseload of four to five clients ranging in age (9-55), gender, ethnicity, and presenting complaints.

Vacca Campus, Department of Youth Services Custody Center

Jan 2013-Aug 2015

Birmingham, AL

Student Therapist

Duties: Intake interviews with incoming adolescent offenders. Co-developing service plans for adolescent offenders. Co-leading group therapy sessions with inmates based on a Positive Psychology Intervention protocol and adapted Dialectical Behavior Therapy (DBT) protocol. Individual therapy with low risk and serious juvenile offenders. Co-leading family meetings between youth and their parents/guardians with the youth's case manager, to discuss family circumstances and discord that may impact the youth's coping ability and behavior within the facility.

Poster Presentation at the Annual Association for Behavioral and Cognitive Therapy Convention, Special Interest Group Session, San Francisco, CA.

RESEARCH EXPERIENCE

Child and Adolescent Psychopathy Lab Sept 2012-Oct 2012
Xinying Ang, Psychology Department P.I.
The University of Alabama, Tuscaloosa, AL

Research Assistant

Callous-Unemotional Traits and Emotional Experiences: A Mixed Methods Approach

Duties: Helping develop categories for responses to open-ended questions. Coding qualitative data into categories.

Personality and Emotion Research Lab July 2009-Aug 2012
Alexander Chapman, PhD, Psychology Department, P.I.
Simon Fraser University, Burnaby, B.C.

Schedule Coordinator, Grant Coordinator, & Study Coordinator

Borderline Personality Disorder and Emotion Regulation in Daily Life funded by Standard Research Grant. *Developing Measures of Interpersonal Sensitivity in Borderline Personality Disorder* funded by Research Development Initiatives of the Social Sciences & Humanities Research Council

Duties: Corresponding with participants to provide information about ongoing studies and scheduling them for experiments, including a DBT treatment study. Managing and creating excel spreadsheets and performing data analyses using SPSS to determine the levels of BPD traits among undergraduate participants. Supervising and training study staff, undergraduates and volunteers on psychophysiological data collection, data scoring, data cleaning, and other study protocol. Compiling information and performing literature reviews in preparation for applying for grant funding. Managing expenses and preparing expense claims.

Mental Health and Youth Justice Lab July 2011-Aug 2012
Jodi Viljoen, PhD, Psychology Department, P.I.
Simon Fraser University, Burnaby, B.C.

Youth Interviewer & File Coder

Youth on Probation funded by Michael Smith Foundation for Health Research

Duties: Conducting interviews with youth sentenced to probation. Reviewing legal files belonging to youth. Coding various risk assessments based on the interview and file information.

Ronald Roesch, PhD, Psychology Department June 2010-July 2010
Sarah Mordell, MA, Psychology Department, P.I.
Simon Fraser University, Burnaby, B.C.

Volunteer Research Assistant

Mental Health in the Emergency Department of Vancouver General Hospital

NATALIE A HARRISON, PhD.

Duties: Coding juvenile offender probation files to assess adherence with intensive supervision and support probation protocol. Involved in coding hospital chart data of 250 mental health emergency cases.

INVITED PRESENTATIONS

Clinical Issues: Suicide Risk Assessment and Safety Planning Jan 2019

Presenters: Claudia Avina, PhD, Natalie Harrison, PhD, and Haley Murphy, PhD

Location: TIES for Families

CLINICAL TRAINING WORKSHOPS

Symposium on Infant and Toddler Mental Health and ACEs May 2019

Presented by Bruce Perry

Trauma and Early Brain Development March 2019

Presented by Lisa Althen, PhD, TIES for Families

iCARE Training Sep 2018

Presented by Lisa Althen, PhD, TIES for Families

2-Day Dialectical Behavior Therapy and 1-Day DBT Nuts and Bolts Sep 2018

Presented by Lynn McFarr, PhD, Janice Jones, PhD, Lisa Bolden, PhD, and Holli Granato, PhD, Harbor UCLA Medical Center

Dialectical Behavior Therapy for Adolescents Sep 2018

Presented by Claudia Avina, PhD, Harbor UCLA Medical Center

Acceptance and Commitment Therapy Sep 2018

Presented by Jessica Schneider, PhD and Lynn McFarr, PhD, Harbor UCLA Medical Center

Leadership Education in Neurodevelopmental and Related Disabilities (LEND) Training Aug-Dec 2017

(LEND) Training

Presented by Zachary DeBerry, MS, RDN, LDN, LEND Training Coordinator, Boling Center for Developmental Disabilities-UTHSC, Memphis, TN

Therapy with Coerced or Reluctant Client Nov 2015

Presented by Stanley Brodsky, PhD, Psychology Department
The University of Alabama, Tuscaloosa, AL

SPECIALTY TRAINING

Youth Risk Assessments

NATALIE A HARRISON, PhD.

Psychopathy Check List-Youth Version (PCL:YV); Youth Level of Service/Case Management Inventory 2.0 (YLS-CMI); Short-Term Assessment of Risk and Treatability (START); Structured Assessment of Violence Risk in Youth (SAVRY).

Psychophysiological Analyses

Cleaning, preparing, and scoring heart rate variability (HRV), respiratory sinus arrhythmia (RSA), cardiac pre-ejection period (PEP), and skin conductance response (SCR) using Mindware Software; Extracting and conducting enzyme immunoassay of cortisol and testosterone samples.

TEACHING EXPERIENCE

Introduction to Psychology (PY 101) Fall 2015
Psychology Department
The University of Alabama, Tuscaloosa, AL
Graduate Student Instructor

Statistics for the Behavioral Sciences (PY211) Fall 2012
Jessy Minney, MA, Graduate Student Instructor, Psychology Department
The University of Alabama, Tuscaloosa, AL
Graduate Teaching Assistant
